**Give. Every. Month. to support pediatric cancer research**  
 One of the most powerful ways to support Joedance Film Festival is through joining a group of donors who are collectively propelling the mission of Joedance forward: G.E.M.s (Give. Every. Month.)

Starting at \$5 per month YOU have the power to create real change in the lives of pediatric cancer patients at Atrium Health Levine Children's. To learn more and make a donation visit us at [joedance.org](http://joedance.org)

**JOE'S  
 STORY**

Joe Restaino was diagnosed in 2006 with osteosarcoma (bone cancer) in his left leg. After a leg-salvaging surgery, two rounds of chemotherapy protocols, and four lung surgeries, he passed away in January 2010 at the age of 20.

While at the McCallie School he established the Joe Restaino Bone Cancer Walk, which continues to raise money for rare pediatric cancer research at Atrium Health's Levine Children's.

In 2010, his family established the Joedance Film Festival, in his memory, to further support rare pediatric cancer research at Levine Children's.
